

## Skilled Craftsman/ Concrete Finisher

Alchemy Concrete, Inc. – Nelsonville, WI  
Apply Now

### Position: Skilled Craftsman / Concrete Finisher

Alchemy Concrete, Inc. is an innovative, full-service concrete provider based in Central Wisconsin. We are looking for experienced concrete finishers to join our creative, high performing team. Check out our website for some concrete inspiration [www.alchemyconcrete.com](http://www.alchemyconcrete.com) and consider joining our team to turn the ordinary into the extraordinary!

We are looking to hire an experienced concrete finisher who can expertly pour all types of slab work which includes traditional and decorative concrete. You may also be required to set forms, run equipment, patch existing surfaces (overlay's), cut expansion joints, and monitor the curing of the concrete to ensure a high-quality finish.

To be a successful concrete finisher, you must possess the skills necessary for the trade and be familiar with the latest concrete pouring technology. We are looking for someone who can work Monday-Friday and some Saturdays. You should also be physically fit and be able to stand for long periods of time, work on your knees, lift heavy materials, and work outdoors in high heat and cold weather.

### Concrete Finisher Responsibilities:

- Blueprint analysis – layout & forming abilities.
- Setting heights with a laser.
- Setting forms, rough & finish grading of base material.
- Cleaning and inspecting surfaces for defects and such.
- Directing the flow of the concrete pour with the truck driver.
- Raking, screeding, and finishing concrete using proper tools and techniques.
- Executing decorative concrete finishes using stamps and various finishing techniques.
- Monitoring the effects of the weather on the curing process.
- Applying sealing and hardening components.
- Safely operating power equipment.
- Saw cutting control joint.
- Running a finishing machine- both walk-behind and ride-on.

### **Concrete Finisher Required Skills/Abilities:**

- Minimum 2 years work experience as a concrete finisher.
- Ability to finish concrete- traditional & decorative.
- Ability to stand for long periods.
- Ability to lift heavy materials and work long hours.
- Ability to kneel for long periods.
- Knowledge of hand-held and power tools including power screeds, troweling machines, cutting saws, and finishing tools.
- Maintain a positive attitude and a commitment to teamwork!
- Quality top notch work is number one priority.
- Strong communication skills with team to be as efficient as possible.
- Operate skid steer & other misc. job site equipment.
- Valid driver's license.
- Understand concrete mix design.
